

Site Inspection Report of Chief Conservator of Forests, High Range Circle,
Kottayam dated 04/08/2017

I have inspected the area proposed site of electrification at Pulikavu and Cheenikuzhi – Malayinchi road along the 1994 Teak Plantation on 04/08/2017 along with Divisional Forest Officer, Kothamangalam and Range Forest Officer, Thodupuzha. The site is under the jurisdiction of Velloor Forest Station, Thodupuzha Range of Kothamangalam Division. The project is to draw LT SP line through forest land for electrification of 8 households in the Pulikavu area.

An area of 0.5964ha. has to be diverted for implementing the scheme. It is understood that the project may not adversely affect the environment and no tree felling is required while implementing the project. No rare/endangered/unique species of flora and fauna are found in the area. The proposal area doesn't contain any monument of historical, religious, archaeological or defense establishment. No work violation of Forest Conservation Act is seen carried out. The requirement of the Forest area is bare minimum and no better alternative route is for implementing the project. The project is recommended for approval.

Place: Kottayam
Date: 20/11/17

Chief Conservator of Forests
High Range Circle, Kottayam
