

## SITE INSPECTION REPORT

21

Proposal has been received From Executive Engineer(O&M) DGVCL, VAPI-R-DN. NH-NO-8,BALITHA,VAPI-396191.seeking permission to use of Forest land Diversion of Udwada – Pariya Road Km. 0/700 to 3/200 for non forestry purpose for laying 11 KV Electric Distribution Cable Line. The inspection of the land involved in the proposal has been done by me on Dated. 14-11-2017... on inspection of the site. It is found that the land required by the user agency is a Protected Forest admeasuring 0.15 ha. I am of the opinion that this land may be diverted of the purpose.

1. Demarcation of the area with temporary cairns etc.
2. There are no any signs of the encroachment.
3. There were activity taken up within the Protected forest land as part of the proposed project by the user agency
4. There are no any revenue forest land.
5. There are no any displacement of persons proposed.
6. Criteria adopted by the DFO for ascertaining suitability of the non-forest land for CA.- Not applicable
7. Distance of the non Forest land for CA from the nearest forest area.is not compact. If in the degraded forest land then what is the current working plan prescription for the area?- Not applicable
8. In case of renewal of mining whether all the condition stipulated in the FC/EC have been complied with. ? - Not applicable
9. Yes under signed agrees with the declaration of the user agency that the forest land proposed for diversion is barest minimum.
10. There are no any other issue of significance except one issue .
11. It is inevitable site and hence recommended.

The required area is the minimum demanded for forest land. It is recommended to 11 KV Electric Distribution Cable Line purpose.
