

**SITE INSPECTION REPORT OF THE PROPOSED DDUGJY SCHEME – STRINGING 11 KV AB
CABLE, ELECTRICAL SECTION , CHELAKKARA**

Inspected the proposed site with Divisional Forest officer, Thrissur, Range Officer Machad and other field staff of Machad Range on 18/12/2017. The proposed area where the stringing is intended to be done is a linear strip of Reserve Forest along a road side (0.18 ha). No tree felling is required to execute the work and the proposed work does not hamper the flora and fauna of the region. I am therefore of the view that the project may be accorded permission.
