

PART-III

(To be filled by the concerned Conservator of Forest)

<p>14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If Yes, the date of inspection & observation made in form of inspection note be enclosed.</p>	<p>Yes, the sites were inspected on 01.09.2015. In all five places boundary wall of dimension 7m X 7m is to be constructed with one shed on five hill tops which cause obstruction for flight operation during night and need to be lighted, for which 0.245 ha. of forest land is to be diverted. The information given and the observations made by The D.F.O were verified. This is the bare minimum forest land required and will not affect much on the local flora of the area. The user agency has not violated any provision of the act and there is no tree felling required.</p>
<p>15. Whether the concerned Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.</p>	<p>I do agree with the observation and recommendations made by The D.F.O in part II.</p>
<p>16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.</p>	<p>The requirement of forest land as proposed by the user agency is unavoidable and is bare minimum for the project as well as the only viable option. On the basis of the facts given by the user agency and the observations made by the D.F.O, this instant proposal may be considered for approval.</p>
