

Inspection report of Divisional Forest Officer, Kothamangalam

Inspected the proposed site of electrification at Pulikavu area along Cheenikuzhi - Malayinchi road along the 1994 Teak Plantation on 31.01.2017. The site is under the jurisdiction of Velloor Forest Station, Thodupuzha Range of this Division. The project is to draw LT SP line through forest land for electrification of 8 households in the Pulikavu area.

An area of 0.5964 ha. has to be diverted for implementing the scheme. It is understood that the project may not adversely affect the environment and no tree felling is required while implementing the project. No rare / endangered / unique species of flora and fauna are found in the area. The proposed area doesn't contain any monument of historical, religious, archaeological or defense establishment. Since the proposed electrification project may not damage the environment to any harmful land and no other alternative route for providing connection, the project is recommended for further action.
