

### PART-III

(To be filled by the concerned Conservator of Forest)

Whether site, where the forest land is involved is located has been inspected by concerned Conservator of Forest (Yes/No) If Yes the date of inspection and observation made inform of inspection note to be enclosed.

The forest land proposed for diversion is located in Jamua Afforestation Range of Giridih West Forest Division. Site inspection was done by the undersigned on 16.02.2017 in the presence of forest officials & officials of RCD (Road Construction Department) Giridih. The proposed site for diversion constitutes 1.664 ha. of forest land, out of which 1.424 ha. is notified protected forest(PF) & 0.24 is Jungle-Jhari land (GMJJ). This proposal received from DFO, Giridih West Forest Division pertains to the construction, rehabilitation and two laning with paved shoulders of Pachamba-Jamua-Sarwan Road. The total length of the road is 45.175 kms. The forest land being under taken is unavoidable and barest minimum for the project. Since this proposal entails the construction and widening of the existing road, hence no other alternative route for this project is possible. No rare endangered species of flora and fauna is noticed in this area. No protected area/archeological heritage site/ defense establishment or other important monuments are located in the concerned area. The felling of trees for the proposed activity shall be kept to the bare minimum essential for the project.

Whether the Concerned Conservator of Forest agrees with the information given in part-B and recommendations of Deputy Conservator of Forest.

I agree with the observations and recommendations of Deputy Conservator of Forest, Giridih West Forest Division.

The diversion of above mentioned forest area measuring 1.664 ha is recommended as it is unavoidable and barest minimum for the project of construction, rehabilitation and two laning with paved shoulders of Pachamba-Jamua-Sarwan Road in Giridih District.
