

Full Title of the Project: **North Koel Reservoir Project (Mandal Dam)**  
File No. : **FP/JH/IRRIG/23840/2017**  
Date of Proposal: **31/01/2017**

**SITE INSPECTION REPORT NOT BELOW THE RANK OF DCF/ DFO**  
*(For the Forest land to be diverted under FCA)*

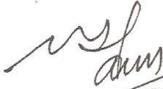

A proposal has been received by this office from **Executive Engineer, Planning and Monitoring Division, Medininagar, Water Resources Department, Govt. of Jharkhand** for diversion (under FCA-1980) of **1007.29 ha** of forest land for non-forestry purpose. The subject envisages the use of forest land for **North Koel Reservoir Project (Mandal Dam)**.

- 1 The site inspection of the land involved in the proposal has been done by me on dated 09-02-2017 along with Executive Engineer, Planning and Monitoring Division, Medininagar.
- 2 On inspection of the site, it is found that the land required by the user agency is in forest area measures **1007.29 ha**. The land schedule of the area has been obtained from land records maintained by District administration of Garhwa and Latehar district.
- 3 The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project. In order to avoid the submergence of prime habitat for wildlife, the user agency has reduced the height of gates.
- 4 The area comes under administrative jurisdiction of Palamau Tiger Project.
- 5 There are no protected archaeological / heritage site / defence establishment or any other important monument is located in the area. Hence, no NOC from any competent authority is required.

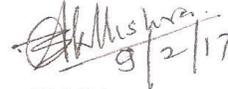

- 6 The project for construction of Dam site has started in 1973 well before the enactment of Forest (Conservation) Act, 1980. Unconfirmed sources indicated that the construction work of dam continued till 1988-89 and later on closed due to law and order problem. As per official record of this division, no any case of violation of Forest (Conservation) Act, 1980 has been lodged.
