Chek List for site inspection by DFO/CF/CCF
Approved by REC in its meeting held on 20-05-2015

At present the inspection Report submitted by the DCF level is very sketchy and dose convey much to higher officers going for verification of the facts in the fields/monitoring of the project on a later date as mandated in the guidelines. This is possible only when exhaustive cheks is carried out at the DCF/DFO level. this would help the higher authorities to verify the facts to arrive at appropriate decisions.
