

Check list for site Site Inspection By the DFO/CF for 765 KV
D/C Hexa Khandwa-Dhule Transmission line

Division Sendhwa, Range Sendhwa & Warla

Compartment No. Sendhwa Range- 702, 701, 699, 586

Compartment No. Warla Range- 567, 568

Sr. No	Particular	Inspection Report BY DFO(T) Sendhwa
1	Extent in hectares.	27.571 hect.
2	Location (Lat-Long) of the forest land proposed for diversion.	Enclosed In Annexure.
3	Legal status of the forest land(Protected forest, reserved forests, revenue forest lands or any other forest land)	Reserved Forest – 27.571 hect. Compartment Number 702, 701, 699, 586, 567, 568 Reserved Forest
4	Demarcation of the area with temporary cairns etc.	Area is demarcated.
5	Any signs of encroachment.	Nil
6	Any activity already taken up within the forest land or adjoining non forest land as part of the proposed project by the user agency. Details of action taken against the user agency in case of violation of the FC act and guidelines there under.	Nil
7	Status of vegetation, site quality, species composition etc.	The proposed area is in compartment no. 702, 701, 699, 586, 567, 568 (27.571 hect.) has density of 0.2 - 0.4 with palas, sagon etc species.
8	Importance of area from wildlife point of view, Status of wildlife (density and abundance of important species, bird life reptiles, butterflies and other scheduled animals any endangered wildlife).Any latest census of wildlife in this area.	No endangered scheduled wild animal as mentioned in Wild Life Protection Act 1972, is observed in proposed area.
9	Endemism of flora/fauna or any other unique ecosystem in the area	Nil
10	Current land use. Is this area managed as per prescriptions in the working plan and if not, why?	The compartment 702, 701, 699, 586, 567, 568 are in Energy Forest and pasture Management working circle.

11	Importance of the area from historical or religious point of view.	None												
12	Any dependent persons/families on this land.	Nil												
13	Any displacement of persons proposed.	Nil												
14	Is there any Rehabilitation and resettlement Plan for the persons to be affected? Is there any dissenting voice among the persons proposed to be displaced?	Nil												
15	Compensatory afforestation proposed is on forest land or non-forest land. Location of this area, suitability of the area for CA. if in the degraded forest land then what is the current working plan prescription for the area? Distance of the non-forest land for CA from the nearest forest area. Number of patches in case the area should be more than 10 Kms.	<p>Compensatory afforestation is on forest land in Barwah Division, Khargone District. Total CA Area- 55.5 hect.</p> <table><tr><th>Pat ch No</th><th>Range</th><th>Village</th><th>Com p No</th><th>Area</th><th>Distance from Forest Area</th></tr><tr><td>1</td><td>Balwada</td><td>Udharniya</td><td>95</td><td>55.5</td><td>CA on double degraded land in Balwada range Barwah Division</td></tr></table>	Pat ch No	Range	Village	Com p No	Area	Distance from Forest Area	1	Balwada	Udharniya	95	55.5	CA on double degraded land in Balwada range Barwah Division
Pat ch No	Range	Village	Com p No	Area	Distance from Forest Area									
1	Balwada	Udharniya	95	55.5	CA on double degraded land in Balwada range Barwah Division									
16	Proposal area should not be part of any protected area. Also distance from the boundary of the nearest protected area should be more than 10 Kms.	Proposed area is not a part of any Protected area and there is no Protected area with in 10 KM from the boundary of proposed area.												
17	Dependence of tribals in the area. Whether the rights of the tribals have been recognized in this area.	Yes. Barwani Collector's certificate No. 2946 dated 24/04/2017 for settlement of rights under FRA'2006 enclosed.												
18	Utility of the project, including the people living in close vicinity of the project.	This project has been conceived to cater 1320 MW power Transmission for 24 hours and will generate employment to local people during different phases of execution of project and its operation and maintenance. The said project will be used for power transmission to BDTCL Dhule substation from NTPC TPP 1320 MW at Selda under Khargone District.												
19	In case of renewal whether all the conditions stipulated in the earlier sanction order have been complied with.	N/A												
20	Alternatives examined by the user agency in case of non-site specific projects.	Three Alternate routes have been examined and it is found that the proposed (Alternate-I) is shortest and appropriate for the project.												
21	A certificate by the user agency that the forest land requested for diversion for non-forestry purpose is bare minimum.	Sheet Attached												

22	Any scope of saving tree growth while ensuring that the purpose for which the forest land is being diverted is also not adversely affected.	The Trees falling under sag and swing condition of the conductor are needed to be felled. In hilly areas where adequate clearance is available, no felling will be needed.
23	Any other issue of significance.	Nil
24	Specific recommendations of the DFO with reason for approval of the project.	This project will be used for power transmission to BDTCL Dhule substation from NTPC TPP 1320 MW at Selda under Khargone District. It will become an integral part of Western Region System Strengthening. The proposed transmission line is affecting bare minimum forest land and minimum trees. There will be employment generation during the execution, operation & maintenance of project. The project for diversion of 27.571 Hectare is being forwarded with recommendation for further process.

(Rajesh Kumar Rai)
