I have visited the project spot on **09-08-2017** and observed that the proposed area falls in the limits of Siddanakolla FS No. 32, Benakanwari FS No. 33 & 34, Huvinhalli FS No. 16 & Ramthal FS No. 116, 112 & 127 which are a rocky and degraded type of forest. The project does not affect any monuments of Historical, Recreational, Archaeological importance including National Park and wildlife sanctuary.

The forest land demanded is barest minimum genuine and is unavoidable. The provision of the Forest (Conservation) Act-1980 is not violated in this case. Since the project is the lift irrigation scheme for public purpose. Hence, recommended for acceptance.
