

Site inspection report of the Divisional Forest Officer Jalpaiguri Division

Visited on 6.08.2017 the proposed site at Lataguri NH 31 of under Lataguri Range at LTG 1 block under Jalpaiguri Division.

There is already exiting one 18 meter wide black carpet road of NH 31, the ROB is proposed over the rail track from km 651.690 to 653.560 on the NH 31(including non forest part of 0.750 km towards Mainaguri side). The Rail over bridge is proposed at km 652.600. Additional 9.00 meter wide strip along the both side of the existing NH 31 totaling to a 36 meter wide strip (including exiting 18 meter of NH 31) is required in the project.

No objection is hereby issued to continue the process diversion of the patch of 4.031 Hector.

Date : 07.08.2017
