DT: 12th May 2021

Sir,

Subject : Delay in obtaining forest clearance against online application made number FP / AP / TRANS / 65723 / 2020 dated 30 / 11 / 2020.

Hindustan Petroleum Corporation Limited (HPCL) is implementing a brown field expansion project Visakh Refinery Modernization project (VRMP) to increase its refining capacity and modernize processing facilities. As a part of the project, dedicated 220 kV line is being constructed from APTRANSCO Kalpaka substation to HPCL Visakh refinery through overhead and underground line to meet the project power requirement.

For this, 220KV Transmission line towers are to be constructed in the designated forest area and the application for obtaining approval for the same along with all relevant details was completed through online portal vide application number FP / AP / TRANS / 65723 / 2020 dated 30 / 11 / 2020.

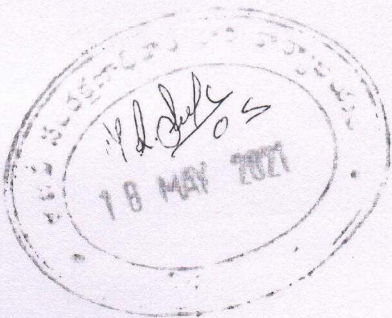

Subsequently our local team has remained engaged with local and AP forest headquarter office for early clearance to proceed with the job in forestland. However as the approval was not forthcoming this issue was flagged in the IMSC meeting dated 19.03.2021, however the approval is yet to be received by HPCL.

View above it is requested to your kind office to advice concerned to expedite the approval to meet the commissioning schedule of VRMP project.

Thanking you,

Very truly yours,

P VEERABHADRA RAO
Executive Director – VRMP
