Sir,

In reference to your letter received regarding clarification of payment of CA, NPV & CAT Plan, along with submission of conditions as per AIP, dated 14.01.2025. It is to inform that after due examination of the matter, it has been found that you have not paid the amount for the Compensatory Afforestation & CAT plan as per the revised rate, communicated to you vide this office letter No.FOR.116/Cons/2002/Pt-I/2056-59 Dated 27.06.2025. It is also noticed that the undertaking of the conditions as per the AIP has not been submitted properly. In this regard, after examination of the matter, it has been decided that the User Agency shall ensure compliance with all the conditions mentioned in Stage-I approval accorded by the Central Government on 14.01.2025, in respect of the construction of Halaipani HEP (16 MW) in Anjaw District of Arunachal Pradesh, which is self-explanatory. You are therefore requested to ensure **the early submission of compliance with all conditions individually & separately, and submit the necessary undertakings in respect of the relevant items mentioned in the Stage-I approval accorded by the Central Government, vide MoEF&CC (FC Div.), New Delhi, letter No. F. No.3-ANB/161/2023/GHY/I/93658/2025 Dated 14.01.2025**, and transfer the following as per the revised amounts of CA and NPV, along with the cost of the CAT Plan as per the revised rate, at an early date to enable this office to submit the compliance report for obtaining final approval.

1.	Revised Cost of Compensatory Afforestation over degraded forest land under Pailo VRF for an area as per condition No.2(ii)(a), i.e., 4.75 x 2 = 9.50 ha. (as per the new labour wage rate from Rs.400 to Rs.617)	Rs.34,99,900/-
2.	Cost of the Net Present Value (NPV), i.e., as per density-0.3, Eco-class-V (Open Forest) @ Rs.10,05,210/-per hectare.	Rs.47,74,748/-

3.	Cost towards the implementation of the CAT Plan (Two Crore One Lakhs Seventy-five Thousand Six hundred eighteen) only	Rs.1,19,00,970/- Rs.2,01,75,618/-

Further, **the certified copy of the remittance receipt for the payment towards CA, NPV& CAT Plan, and the extraction of trees to be felled may be sent to this office for record and further action.** It may also be noted that non-compliance with conditions is one of the most common causes of delay after remittance of the amount/money towards compensatory levies. **It may also be noted that Stage-II approval to the proposal can only be granted after compliance of all the stipulated conditions of Stage-I approval, including payment of compensatory levies.**

Also, it is requested not to break the forest land and carry out any construction activity in the area till final approval of the proposal is granted under Van (Sanrakshan Evam Samvardhan) Adhiniyam,1980, by the Government of India.
