20. The forest land shall not be used for any purpose other than that specified in the project proposal;

21. The forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agencies, department or person without prior approval of Govt. of India;
22. Pre-fabricated structures should be used to the maximum possible extent to reduce the extent of disturbance in the habitat;
23. The total forest area utilized for the project shall not exceed **2.21 ha** and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;
24. The User Agency and the State Government shall ensure compliance to the all acts, rules, regulation and guidelines of the Ministry, for the time being in force, as applicable to the railway line projects;
25. Any other condition that the Regional Officer, Integrated Regional Office, Vijayawada may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area shall be complied by the User Agency;
26. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules / guidelines issued under FCA, 1980.
27. The State Government shall process and submit compliance report on the above conditions through online (<https://parivesh.nic.in/>).

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. The in-principle approval shall be valid for a period of 5 years from the date of issue of the same. In the event of non-compliance of the above conditions, this in-principle approval may be revoked as per the rules.

Yours faithfully,
