- (xi) The muck generated in the earth cutting if any, shall be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
- (xii) Tree felling in the proposed forest area shall be carried out wherever necessary, with the prior permission of the Divisional Forest Officer concerned.
- (xiii) State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency.
- (xiv) State Government and the user agency shall implement mitigation measures and other conditions as recommended by the Standing Committee of NBWL vide Ministry's letter No. 6-69/2017/WL dated 02.06.2017 at the project cost.
- (xv) Wherever necessary, user agency shall provide free supply of water for forest nurseries and field staff quarters and range offices, besides providing outlets with small troughs during summer for wild animals in forest areas.
- (xvi) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
- (xvii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
- (xviii) The user agency shall use existing paths and roads for laying of pipeline and no new paths / roads are to be formed.
- (xix) Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the UA to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna.
- (xx) The total forest area utilized for the project shall not exceed **4.804** ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
- (xxi) The user agency should make provisions for supply of water to wildlife at designated places / along the route passing through forest areas, in consultation with Telangana Forest Department. Such provision should be made at intervals of 2 km each. The Chief Wildlife Warden is advised to develop a master plan to use the proposed pipelines for supply of water to

the wildlife. Precautions have to be taken to avoid concentration of livestock at the water point.

- (xxii) The Progress of the Compensatory Afforestation as mentioned by the DFO, Bellampally Division in Sl No 12 (v) (a) & (b) of part II i.e 94.510 ha of forest land and 196.210 ha of non forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal.
- (xxiii) User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
- (xxiv) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
- (xxv) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr.K.Ganesh Kumar)
