

### JUSTIFICATION OF NECESSITY

Construction of Nuclear Power Plant (NPP) channel is proposed for supply 180 Cs raw water to the Gorakhpur Haryana Anu Vidhyut Pariyojana at Gorakhpur, Tehsil & District Fatehabad through old abandoned Sirsa Branch from RD 388500 to 424780 (KM 0 – 11.06). Therefore, the deforestation is required in the alignment of proposed NPP Channel and Forest Land is to be diverted 33.71 Ha. There is no any other alternate site for construction of NPP Channel as the alignment has already been decided by the higher authorities.
