No. ONGC/ JRT/HSE/FRA Certificate/GGS

Dated: 02.02.2019

From: A K RASTOGI, DGM (P), Head HSE, Jorhat Asset, Assam
To : Nodal Officer, Aranya Bhawan, Panjabari. Guwahati, Assam.
Subject: Clarification regarding NOC for FRA

ONGC has proposed to develop surface facility at existing drill site of Suphayam-1. For creating surface facilities no extra land is required. Suphayam-1 well was drilled in year 1997 and for same FC was obtained.

FRA-2006 was implemented in the year 2009 and land for Suphayam-1 was taken in year 1997. Since, no extra land is required and surface facilities would come up in existing land that was taken over in year 1997, hence, FRA-2006 may not be required for this.

Submitted for your information please.
