Justification Letter for Forest Land Diversion

1. The project for Upgradation and Maintenance of road T03-Soyan Sunbrabrie (Waste Plastic), JK01-2002, PMGSY II (Batch, 2019-20) is sanctioned by the GOI (NRRIDA) under PMGSY II (Batch,2019-20). The proposal of the project is to Construct the road that shall benefit 04 No villages namely Soyan ,Sunbrabrie, Magam, Patti-magam having 4100 souls after its completion. However, in this proposal one stretch of Road passes through forest area involving 0.30 Ha of forest land that needs to be diverted for the smooth execution of the scheme.
2. Forest area can't be avoided as the proposed alignment is the only viable and technically feasible route for providing vital connectivity to these habitations.
3. Hence, it to certify that diversion of the forest land is urgently required and its use is unavoidable for the construction of the above said road.
