

Name Of Work:- Improvement To Indapur Baramati Neera Road SH 121 Km 63/00 To 64/00 (Pandare Khind) Tal.Baramati, Dist. Pune.

PROJECT NOTE

Description / Necessity :- As per Road Development plan 2001-2021 the road is of State Highway Standard having State Highway No. 121. This road starts at Indapur and ends at Neera. This road is shortcut access for Solapur via Kolhapur To Karnatka state avoiding Pune city which is having traffic congestion. Traffic intensity on this road is 9560 PCU. The traffic is of Heavy Bullock carts for Sugarcane, Heavily loaded Tractors for Sugarcane, Trucks of Sugarcane and bye products of Agricultural cultivation. Average rainfall in the territory is about 500 millimeter. Total length of this road is about 89.800 Km. This road is having good connectivity of three districts Solapur Pune and Satara. The road is having acute "S" curve with ghat which prones to accidental / black spot in chainage Km 63/00 to 64/00 having forest land. As per traffic situation improvement to road is required. As per Govt. rules and regulation Black Spot / accidental spots should be improved so that roads should be having "Zero" tolerance limit for Black Spots. So as to avoid accident as well as lives of valuable peoples improvement of roads with improvement of "S" curve is required. The chainage Km 63/00 to 64/00 passes through forest land. The road development / improvement requires Forest land having area 0.556 Hecter. Very small quantum of land is required from forest but road gets heavily improved and becomes accident free spot. In the interest of public forest department is being expected to cooperate in this matter.

Administrative Approval:- Government Of Maharashtra give administrative approval to this project as per Government resolution No. PLN 2020/ CR (828)/ Ni-3 / Mantralay, Mumbai -32 Dated.26/02/2020 Having Aproval To Rs. 270.00 Crores. With Budget Job No. 774/ Page No. 195.
