## Justification for location the project in forest land and details of alternatives examined

Jawajar Navoadaya Vidyalaya Meja Khas Prayagraj is surrounded by forest land . The Vidyalaya is fully residential, run under the Ministry of Education Government of India .There is no proper resources of water as more than 700 students(boys and girls both) and more than 100 staff and their family members are residing in the Vidyalaya campus. The crisis of Water supply is being faced by the students and the staff members daily. There is no alternative except the water supply from nearest place gunai gaharpur to the jawahar navodaya vidyalaya Meja Khas Prayagraj . The Vidyalaya is situated on the hill area . District administration and Vidyalaya administration tried their best for deep bore well but all efforts gone in vein .

It is the minimum requirement of Forest land and there is no alternative for this Forest Land for above purpose. We have done the survey and find that there is no alternate route available to lay down the Water Supply Pipe Line to connect gunai gaharpur to the jawahar navodaya Vidyalaya Meja Khas Prayagraj. Hence it is requested that permission may kindly be granted.
