office of the  
Executive Engineer  
National Highway Division,  
H.No.11/1844, Vidyanagar,  
Kalaburagi-585103.

**Date: 14.02.2019**

**Justification for construction of National Highway NH-150**

This to certify that The Ministry of Road Transport and Highways has taken up the widening to Two/Four Lane with Paved shoulders from Chittapur Cross (Km. 34.00) to Yadgir Bypass (Km. 70.90) of NH-150 of Gulbarga-Wadi-Yadgir Section in the State of Karnataka. The Ministry of Road Transport and Highways awarded this work through PWD, Government of Karnataka for carrying out the construction and its related activities of the Project Highway. (Job No. (Job No. NH-150-KNT-2016-17-828)).

In present scenario of road is State Highway Standards and now it is upgraded to National Highway Standards. Hence, it proposed to obtain **4.6038 Ha** of Forest Land comprising 0.9664 Ha in Survey No. 10 of Wadenahalli (Wadnalli) Village, Yadir Taluk, Yadgir District and 3.6374 Ha in Survey No. 163 of Yargol Village, Yadgir Taluk, Yadgir District for Widening of 2/4 lane with paved shoulder of NH-150. These lands belong to Forest Department.

The project is widening of existing road to Two/Four lane with paved shoulder configuration. As the forest land location is along the existing road on either side at selected stretches. Thus, the forest land has to be acquired. Also, there will not be any alternative alignment option available for the project road to avoid forest reach.
