

SHEET 46 H/8 FIRST EDITION

Surveyed 1967-68

Magnetic Variation from True North about $1\frac{1}{4}^{\circ}$ West in 1965.
(Increasing by about $2'$ annually).

No. 46 $\frac{H}{8}$ 

Note: 20299 *HO? (C-4C-48-133333)-261275*.
 Moss mottled: according to importance, distance, a moss
 unmottled do. do. do. bridge    
 Cart-track, pack-track and pass. Foot-path with bridge.....
 Bridges: with pierer without. Causeway, Ford or Ferry.....
 Streams: with track in bed unmatted. Canal.....
 Ditch: meadowy, with or without Water.....
 River banks, sloping steep: 3 to 6 meters; over 6 meters.....
 dry with water channel: with island or round river.....
 Submerged rocks. Shoal. Swamp. Reeds.....
 Wells: lined, unlined. Well. Spring. Tanks perennial dry
 Ditches: straight, for or not for mill
 Railways: broad gauge foot-path, with station under a constr.....
 other gauges: do. do. with distance note 20 75
 Light/railway or tramway Telegraph line. Clipping with tunnel.....
 Contours and sub-features: Rocky slopes. Cuts.....
 Sand Vegetation (flora) 2nd path and 4th and 6th on sloping down.....

1st Edition: 1970.
 Revisions: Edition 1: 1st ed. 1970. 2nd ed. 1985.

A relative height, e.g. 100, is given as well, in blue, indicates its total depth in metres.

The forest boundaries have been surveyed as pointed out by the local officials on the ground, but have not been verified by the forest authorities concerned.

All unmetalled roads in the Collierville in periodic and constant rain.

The area represented in above Distance stones are in miles.

The issue boundary between not been verified by the Govt

As well, in blue, indicates its total depth in metres.

is surveyed as pointed out by the local officials on the ground, but have not been verified by the forest authorities concerned.

are passable in dry season.

dependent on rainfall.

(N) and C/L of this map is magnetically disturbed and the variation given may differ largely from the actual value.

Nepalese and Middle Eastern States has been surveyed as pointed out by the local officials on the ground but has
