Note of justification for locating the project in forest Area.

Development of Achanur Village Road

The above mentioned proposal is being under the Department of PRED, Govt Karnataka for the development of Road facilities to Historical Laxminarsimha temple at Achanur village. Department of PRED has identified the Govt land for the purpose of development of road facilities such as road. The proposed Govt land is located to near to Achanur hill monuments. The above mentioned proposed area will help in the use of locally available material & architectural Vocabulary. The development of Govt land is a main component of integrated development of material road next to this land in forest area covers under Sy.no. 145 required of 0.4867 Ha forest land for the purpose of connecting road to proposed land. Since temple is on hill top, surrounded by forest area there is no alternative land other than forest land for construction of road. The area required for construction of road is bare minimum considering the gradient and other safety of traffic.

The proposed project has been approved by Secretary PRED Government of Karnataka.
