

Justification

We purchased 55 Acres of land of survey No 8/2 under Vettilappara Village for agricultural purpose. In the middle of our lands, the Forest Department set up cairns during the 2019 floods without any warning on the 1.1574 hectares of tax held land owned by PK Abu. Due to this it is very difficult for me to start my project in the above said land. There is no nearby forest land around our unassigned land. In this above condition we are ready to give compensatory land which is double the area of current area to the Forest Department.
