

CHECK LIST SERIAL NUMBER:-9

Justification for locating the Project in Forest Area

The village Gurshali to Dawath(Badahari) is situated in the proximity of Shimla in Tehsil Shimla(Rural) and is not connected by Road till date.

That alternative alignment No-2 which length is about 2.225km and there are 50 No.of trees are involved in the alignment hence it is not fisible.

The alternative alignment No-3 the length of road is 2.100km and there are 49 no. of trees involved in the alignment hence it is not fisible.

That alternative alignment No-1 the length of proposed road is 1.500km and 11 no.of trees are involved in the alignment. So the alignment no-1 is economical and has been adopted in which minimum forest land involved.

That there is no other alignment where the road is constructed.
