NOTES -  
 Heights and contours have not been shown.  
 Insetted buildings are shown in black with white.  
 A reason figure, 'A', represents the approximate height in metres, between the top and bottom of a steep slope.  
 The exterior boundaries of the areas of Reserved or Protected Forests are shown by green borders.  
 The vertical scales of birds shown in the sea to the distance of three nautical miles measured from the appropriate base line.  
 A marine height, e.g., 'A', marked along coast, indicates the height of the top of the coastal embankment above the adjacent country.  
 Road Pump is shown thus: [Symbol]
