JUSTIFICATION OF PROJECT

It is submitted that, M/s BSNL, Govt. India Enterprises under the Ministry of Telecommunications has taken up the project of laying Optical Fibre Cable for providing Telecom Services like, Broad Band, Highspeed data network, Cellular communication, Core Banking Services in Rural and Urban areas covered in between Anantapur- Kalyandurg via., Atmakur as a part of Digital India Programme.

In view of this laying of Optical Fibre Cable along the R&B Road in the Forest land to an extent of 0.09Ha is inevitable as there is no alternatives except utilisation of Forest land. Hence, the proposal may kindly be approved.
