Justification for forest land diversion

The project for Upgradation and Maintenance of road from L074-Kraldaji to Syed Abad Dedikoot Package No. JK082009 is sanctioned by GoI (NRRIDA) under PMGSY-II. The proposal of the project is to upgrade the road that shall benefit 03 No. villages namely Kraldaji, Syed Aabad & Deedikoot having 4500 souls after its completion. Also, forest area falls in between Deedikoot and Kraldaji having 3000 souls and hence cannot be avoided as the existing alignment needs to be upgraded providing all weather connectivity to the hamlets. The road passes through the forest area for a length of 0.80 Km out of 2.50 Km for which forest clearance is required.
