

JUSTIFICATION

Name of Projects : Construction of Road From Jamudih G.P. Road to N.H.-Barsuan (Kaleiposh-Koinda PWD Road to Jamudih Road) of Choradhara G.P. under Koida Block (Total Length of the Road = 4.00 Km.) under DMF for the year 2016-17.

Job No. :
Estimated Cost of the Project : Rs.207.90 Lakhs.

The Road starts from Koira-Kaleiposh (PWD Road) and terminates at Choradhara-Missiontoila (PMGSY Road) crossing.

Name of Village	Population
1. Choradhara -	733
2. Gaganaposh -	472
3. Paramadhi -	348

TOTAL - 1553 Nos.

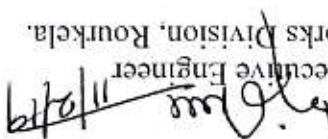

The road "Kendughati to Jamudih G.P. Road" having a length of 4.00 Km. (0/0km to 4.00 km) is being constructed under DMF scheme which comes under Forest Area.

There is no all weather road from Kendughati to Jamudih G.P. Road. As this road leads from Choradhara Panchayat (Koida Block) to Kaleiposh Panchayat (Lahunipada Block) it act as an alternative connectivity to Tribal villages between two Panchayats i.e. Choradhara and Kaleiposh under Bonai Assembly constituency. The people of above village are fully dependent on this Road for their daily needs such as Medical Facilities, Fire Fighting, Revenue, Health, Police Station, Marketing and other social purposes.

During rainy season this 4.00 km Road is in a very distress conditions and villagers face difficulties to reach to PWD Road. They cannot move for their daily needs and suffers a lot.

The status of the Road is currently earthen Road without any embankment and passes through rolling terrain and Forest Area. For construction of this road Forest Clearance is required.

The work has been awarded to a contractor observing all formalities and executed after Forest clearance is obtained.

 Executive Engineer
 Rural Works Division, Rourkela.
