

Justification

It is certified that the Land for Laying of 150mm ϕ DI Pipes for Providing Water Supply to Air Force Station, Laitkor Peak is initially planned through the land belonging to the State Forest Department which shall start from Wahsohkha, Laitkor to link with the Sump at the Pumping Station of Air Force Station at Sangmein.

However, due to the ongoing progress of work of the scheme for laying of pipelines shall have to pass through Laitkor Protected Forest Land so as to Providing Potable Drinking Water to Airforce Station, the location as mention hereinbelow may be kindly accepted and approved.

Sl. No.	Location	Area
1.	Laikor Peak	0.11 Ha.
