7G Tea Garden

Heights and Contours have not been shown.

A, where height, e.g., 49, represents the approximate height, in meters, between the top and bottom of a slope.

Important buildings are shown in black with names.

The state boundary between Arunachal Pradesh and Assam shown on this map is as interpreted from the North Eastern Areas (Pre-Organization) Act, 1950, but has not been verified by the Government of India.

International Boundary in the adjoining strip in Administrative Index has not been shown.

Jail or temporarily built-up areas occur throughout the jungle; they are normally abandoned after 2-3 years and are not shown.

Kilometers shown in this sheet are community working places.

Railways are shown in red.
