

Memo No. 5312 dt. 28.08.2020

To

The Divisional Forest Officer,
Rourkela Forest Division.

Sub: Proposal for diversion of 113.075ha of Forest land for construction of Karapani Irrigation Project under Bonai Forest Division of Sundargarh District.

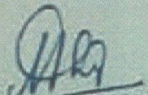

Ref:- DFO Office Memo No.4657 dated.21.08.2020

Sir,

With reference to the subject cited above I am verified the existing forest cover of the degraded forest land already proposed for CA in Harapali RF over 113.075ha, out of 113.075ha.59ha is open forest which is less the 40% Forest canopy density. It is suitable for taking up plantation 1000-1200 plants per ha.

This is for favour of your kind information and necessary Action.

Yours faithfully,

Dy. Range Officer
I/c. Kuarmunda Range.
