**Sub : Turga Pumped Storage Project (1000MW), in Purulia District, West Bengal by West Bengal State Electricity Distribution Company Ltd – for consideration of Environmental Clearance.**

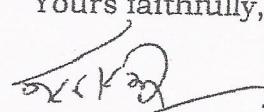

Sir,

This has reference to your letter No. PSPD/Turga PSP/ 2F/ 38 dated 9<sup>th</sup> May, 2016 on the above mentioned subject.

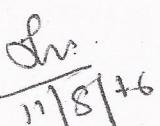

The project was considered by the Expert Appraisal Committee (EAC) for River Valley and Hydroelectric Projects in its meeting held in June, 2016. The EAC has recommended the Environmental Clearance for the Turga Pumped Storage Project (1000 MW) in the above said meeting. The Project involves 234 ha of forest land. It is a pre-requisite to submit a copy of the Stage-I Forest Clearance for considering grant of EC by the Competent Authority.

In this context, I am directed to request you to kindly submit copy of the Stage-I Forest Clearance at the earliest to enable us to process the recommendation of EAC with respect to Environmental Clearance.

Yours faithfully,
