Dear Sir,

**Sub: Justification for use of 38.2591 hectare of Forest Land.**

The construction of 132 KV Transmission Line envisages the use of 38.2591 hectare forest land for transmission of electricity power from Renuagar Captive Power Plant of Hindalco Industries Limited at Renuagar, Dist. Sonbhadra (UP) to meet the power requirement of producing aluminium at Renukoot.

The requirement of the renewal of the lease in respect of the forest land of 38.2591 hectares by the User Agency is need based and unavoidable due to non-availability of any alternate land and also is barest minimum & justified for transmission line which was constructed in the year 1967-68. Further, transmission of power for producing aluminium is a continuous and ongoing process.

In view of the above, the renewal of the lease of the said forest land of 38.2591 hectare is required and accordingly proposal for the same has been submitted.

Thanking you,

Yours faithfully,  
For Hindalco Industries Limited,
