

Sub: Justification for drawal of new 11 KV O.H Line from Gayerkata 33/11 KV Sub Station to Khuntimari Forest Inspection Bungalow

The Voltage Profile for the areas of Kalabari Tea Garden, Mogulkata Tea Garden and the surrounding villages including Khuntimari Rest House, Directorate of Forest is low. The drawal of this 11KV line will significantly improve the voltage profile of the above said and nearby surrounding areas. Line interruption will also be significantly minimised. There is no alternative route for by-passing the forest.

The approval will surely help in the improvement of Voltage profile in the adjacent area. The line is required up to the Khuntimari Rest house for improvement of the quality of power in the area, your kind approval is requested.
