

**JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA TO
BE SUBMITTED BY USER AGENCY AND COUNTER SIGNED BY DCF**

The project road is passing through Banaskantha district of Gujarat state. The project road starts point Km 79.200 near the Sabarmati River Bridge and end point of Km 100.00 near Ambaji of section SH-9. The project road development will aim at widening and strengthening and journey speed and reducing congestion and accident on the highway. The option of both side widening considered for improvement project so as to utilize the existing right of way *(ROW) as far as possible. The quarries, haul road and borrow area have not been located in any reserve or protected forest nor within any protected forest areas. In both side almost care was taken to minimize the impact on the natural environment including forest.
