### Justification for Construction of road in forest area

I am having a land locked property at Sy no. 28 of Village Herajenahalli, Hobli: Chennarayanadurga, Taluk: Koratagere, Dist. Tumakuru, Karnataka.

I require an access road to approach my land locked property from forest land survey no. 24 of Village Herajenahalli, Hobli: Chennarayanadurga, Taluk: Koratagere, Dist. Tumkuru, Karnataka.

Around this plot of mine there are lands bearing survey numbers 30, 31 and 24. Survey number 30 and 31 belong to other farmers of the same village and the only way I can enter my land is through these survey numbers.

These days, the owners of the above agricultural lands are not allowing me to enter my agriculture land through their lands and it is becoming highly difficult for me to practice agriculture. Also there is a forest land at Sy. No. 24 adjacent to my plot and there is a zilla panchayat road ending at this forest land, but from this forest land there is no further access to my property.

As there is no alternate access to our property, we request you to grant the access to our property as we are intending to construct an access road from forest land at Sy. No. 24 of of Village Herajenahalli, Hobli: Chennarayanadurga, Taluk: Koratagere, Dist. Tumkuru, Karnataka connecting the existing road.

Length of the proposed road is 210m and width of the road is 6. Hence total area required for the construction of the proposed access road is 0.1218 Ha in forest area.

For Shri. Vikram K M
