

No. 223 NE/2

Magnetic Variation from True North about $1\frac{1}{4}^{\circ}$ West in 1970.
(Annual change negligible).

INDEX

- 1) Reserved forest - 
- 2) Forest Area - 
- 3) Existing Road - 
- 4) Proposed off line - 

HEIGHTS IN METRES

This sheet has been enlarged from its 1st Edition 1906 on scale 4-inch to a mile to 1:15,000 scale and additional detail incorporated from smaller scale maps for completing the forest area. Heights have been converted to their metric equivalents. Remarks verified on the ground on the "Alignment approximate" or "AA" has been entered against detail which has not been verified on the ground. Distances are in miles.
