

The said land is adjacent to the existing land of STC BSF Baikunthpur at Mouza Jungle Mahal, Sheet No.- 11, Plot No. 03 (RS) . No other Govt. land is available in the vicinity of Siliguri area for establishment of BSF Bn HQ. The suggested land is appropriate location from operational point of view because land is an optimum distance from The International Border. Existence of BSF unit on the said piece of land will certainly help in hence inescapable help in reducing crimes like encroachment of land and illegal timber cutting etc. It is in the interest of the BSF, the Deptt of Forest and ultimately the Govt. of India to establish BSF Battalion Headquarter on this piece of land.
