AUTHORITY LETTER

The Work of "Providing Multi village drinking water scheme to Palabhavi and other 4 villages in completed in all respects except Providing Electricity through express feeder line. For this it is necessary to install electric poles for the length of ^{1.300 km} 1.356 km and width of ⁷ 2-meters in the survey no. 552 , (^{0.910} 0.2712 Hecter) of Teradal village the tapping point. This line runs in forest area above mentioned survey no,because it is the only shortest distance to tapping point to jack well source point. Hence I here by authorise The Assistant Executive Engineer, RDWS&S Sub Division, Raibag to upload the above said electrical line proposal in forest online website.

Your's faithfully

Executive Engineer,
RDW&S Divn, Chikkodi.
