HEIGHTS & CONTOURS IN METRES
CONTOUR INTERVAL 20 METRES

Water features are shown in blue where they generally contain water. Contoured areas are colored yellow. The exterior boundaries of areas of Reserved or Protected Forests are shown by green lines.

Contours are approximate. A relative height, e.g., 5', represents the approximate height in metres between the top and bottom of a steep slope. Shaded areas are colored green. Reserved and Protected Forests are shown by green lines. Prominent surveyed trees are in black.
