

PART- V

(To be filled in by the Secretary in charge of Forest Department or by any other authorised officer of the State Government not below the rank of an Under Secretary)

14. Recommendation of the State Government:

(Adverse comments made by any officer or authority in Part-B or Part-C or Part-D above should be specifically commented upon)

The proposal is recommended for diversion of 4.82 ha of forest land for construction of oil & gas drilling including approach road at location TULB at Mouja-Silachari under Gomati District in the interest of public and other development activities. *The diversion proposal may be approved with the following conditions as proposed by DFO, Gomati:*

- a. The drilling location TULB, TULC & TULD will affect biodiversity of this area, therefore proposal for establishment of Park library cum wood library with information signage should be developed in Ramchandra Para Eco-Park, Karbook. For developing these facility user agency should provide Rs.20.00 lakhs in favour of SDFO, Karbook.
- b. Fencing of project area is necessary therefore user agency should deposit fund for fencing of 3 km chain link fencing around drill site and destruction prone area.

(Sanjib Das, IFS)
Addl. Secretary
to the Government of Tripura
