To,

The Principal Secretary to the Government,
Environment, Forests, Science & Technology Department,
Telangana State Secretariat, Hyderabad.

Subject: Proposal for diversion of 2.7052 Ha (revised from 4.8025 Ha) of forest land for formation of BT road form “Karji to Motlaguda” villages via Rampur in Dehegaon Mandal of Girelly RF of Asifabad Division, Komaram Bheem Asifabad District in favour of District PR Engineer (PIU), Kumaram Bheem Asifabad District -Reg Madam,

Please refer to the State Government's Letters No. 2060/For.I(1)/2021 dated 22.06.2021 & online proposal No. FP/TG/ROAD/46851/2020 seeking prior approval of the Central Government for the diversion of forest land in accordance with Section'2' of the Forest (Conservation) Act, 1980 for the above-mentioned project.

After careful consideration of the proposal and the additional information submitted by the State Government, I am to convey the Central Government's **in-principle approval (Stage-I)** under Section '2' of Forest (Conservation) Act, 1980 for the diversion of 2.7052 Ha (revised from 4.8025 Ha) of forest land for formation of BT road measuring 6763.00 m length and 4.00 m width form “ Karji to Motlaguda” villages via Rampur in Dehegaon Mandal of Girelly RF of Asifabad Division, Komaram Bheem Asifabad District in favour of District PR Engineer (PIU), KumaramBheem Asifabad District subject to the following conditions:-

1. The legal status of the forest land shall remain unchanged.
2. The DFO/FDO concerned shall ensure that no violation of F(C) Act, 1980 takes place in the proposed forest area.
3. The Demarcation of the proposed forest area shall be carried out by erecting 4-foot-high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency in consultation with the DFO concerned and report compliance. **Working permission, if considered, shall not be given till the forest land proposed for diversion is demarcated with RCC pillars.**
4. The forest land shall not be handed over to the user agency till the final approval is accorded for diversion by the competent authority.
5. **Compensatory Afforestation**
 - A. Compensatory Afforestation shall be taken up by the Forest Department over an equivalent **non-forest land (2.7052 ha.)** Collectively identified for 15 proposals in Sy No, BDPP of Indhani Village of Karameri Mandal of Karameri Range of Asifabad Division under the jurisdiction of District

Forest Officer, Kumuram Bheem – Asifabad having a total area of **39.84 ha** and identified Degraded forest land in **Compt. No. 134 of Raspally Beat of Raspally Section of Kaghaznagar Range falling in Kaghaznagar Division** over an extent of 40.00 ha for raising plantation with 1111 plants/ha with 10 years of maintenance at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.

- B. The non-forest land transferred and mutated in favour of the State Forest Department or the revenue forest land, as the case may be, shall be notified by the State Government as Protected Forests under section 29 or RF under Section 20 of the Indian Forest Act, 1927 or under the relevant section(s) of the local Forest Act, before the issue of the 'Final' approval under the Adhiniyam. The Nodal Officer shall report compliance in this regard along with a copy of the original notification declaring the non-forest land as PF, along with compliance of 'in-principle' approval.
- C. The cost of compensatory afforestation at the prevailing wage rates as per the compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in the designated CAMPA account. The CA will be maintained for 10 years. The scheme may include appropriate provisions for anticipated cost increases for works scheduled for subsequent years.

6. **Net Present Value:**

- A. The State Government shall realize the Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the guidelines given in Chapter – 3 of the Consolidated Guidelines and Clarification issued by the Ministry in accordance with the Hon'ble Supreme Court of India's order dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 in the matter of T. N. Godavarman Thirumalpad vs. Union of India.
 - B. Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.
7. User Agency shall restrict the felling of trees to a minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department. The forest produced derived out of such tree felling shall be taken into government custody and disposed off as per the prevailing norms of the SFD/ SG.
 8. All the funds received from the user agency under the project shall be transferred/ deposited to the CAMPA fund only through **e-portal** (<https://parivesh.nic.in/>).
 9. The complete compliance of the FRA, 2006 shall be ensured by way of a prescribed certificate from the concerned District Collector.
 10. The user agency shall arrange to raise strip plantation on either side of the

road wherever feasible.

11. The User agency will undertake comprehensive soil conservation measures at the project cost in consultation with the State Forest Department. A scheme of the same shall be submitted to the Regional Office along with the Stage-I compliance report.
12. Overburden shall not be dumped outside the width of the road. The muck generated in the earth cuttings will be disposed of at the designated dumping sites and in no case the muck/debris will be allowed to roll down the hill slopes.
13. The designing of culverts/bridges, if any, over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper the movement of wild animals.
14. The user agency will provide retaining walls, breast walls and drainage as per requirement to make the slope stable.
15. Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/ Forest Areas.
16. **The state government and the user agency shall comply with all the prescribed conditions in NBWL approval and report compliance.**
17. **The user agency shall provide suitable under/overpass in the Protected Area / Forest Area as per recommendations of CWLW / NBWL.**
18. The User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
19. The layout plan/ alignment of the proposal shall not be changed without prior approval of the Central Government.
20. No labour camp shall be established on the forest land.
21. Sufficient firewood, preferably alternate fuel, shall be provided by the User Agency to the labourers after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
22. No additional or new path shall be constructed inside the forest area for transportation of construction materials for the execution of the project work.
23. The forest land shall not be used for any purpose other than that specified in the project proposal.
24. The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India.
25. Violation of any of these conditions will amount to a violation of Van (Sanrakshan Evam Samvardhan) Adhinyam, 1980 and action would be taken as prescribed in para 1.16 of Chapter 1 of the Handbook of Comprehensive Guidelines of Van (Sanrakshan Evam Samvardhan) Adhinyam, 1980 as issued by this Ministry's letter dated 29.12.2023.
26. Any other condition that the Ministry of Environment, Forest & Climate

Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.

27. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This In-principle approval shall be valid for a period of 2 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this In-principle approval shall automatically stand revoked after 2 years. The user agency shall not execute the work in forest land proposed to be diverted till the final approval is accorded by the Central Government.

Yours faithfully,

Shri. Kailash Bhimrao Bhawar IFS
Assistant Inspector General of Forests (C)
