

FULL JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA
(UN-AVOIDANCE OF THE FOREST AREA FOR THE PURPOSE)

The existing road from Km 0/0 to Km 2/0 is a Single Lane BT passing through RF area over a length of 0.698 Km and it was damaged at many places due to non maintenance for many years. There is no alternate path from 0/0 to Km 2/0 to connect the great Tempa with Ramappa Lake in palampeta(V) of Mulugu district. It is proposed to lay a double lane B.T.Road from Km 0/000 to Km 2/0 for connecting the Great Tempa with Ramappa Lake in palampeta(V) in Mulugu District and to help the Piligrims, Tourists coming from different of India & across the Globe and for Local people of Palampeta and surroundings villages.

The existing Singe Lane BT road is proposed to widen to 7.0mts along with berms of 1.50 mts on both sides, and on the whole with width of 10.00 Mtrs and the same is proposed for Upgradation of existing road. The present area of Diversion required 0.6984 Ha. Hence, the diversion proposal of **0.6984 Ha** is initiated with this proposal.
