ಕರ್ನಾಟಕ ನಗರ ನೀರು ಸರಬರಾಜು ಮತ್ತು ಒಳ ಚರಂಡಿ ಮಂಡಳಿ.

Karnataka Urban Water Supply and Drainage Board.

Justification Certificate

The said location has been selected for Providing Water supply scheme to Hassan city under AMRUT. The alignment along state highway -21 for laying the 1118 mm dia MS pipe line at Kattaya forest limit having nos of horizontal, vertical and hair pin curves. The water supply line is to be laid in straight reaches and it should have less nos of bends.

Hence, pipe line alignment along the Kattaya forest is technically feasible.

Your's faithfully
