Sub: Justification for use of 61.2348 hectare of Forest Land.

Dear Sir,

The construction of Ash Dyke envisages the use of 61.2348 hectare forest land for disposal of ash generated out from Renusagar Power Division of Hindalco Industries Limited at Renusagar, Dist: Sonbhadra (UP).

The requirement of forest land of 61.2348ha by the User Agency is need based and unavoidable due to non-availability of any alternate land and also is barest minimum & justified for construction of Ash Dyke. Further, ash formation is a continuous process for generation of electricity which is being used by the User Agency for production of aluminium.

Thanking you,

Yours faithfully,

~~For Hindalco Industries Limited~~
