

Copy of note containing justification for locating the Project in forest land for Construction of Prem Nagar Chandog road via Bara Chakli Km. 7/0 to 10/200.

It is certified that the road project has been proposed in Tehsil Pachhad, District Sirmour of Himachal Pradesh. This road bifurcate from Kumarhatti-Nahan State Highway No. 2 at RD 14/00 and leads towards village Chandog, Girdh and Sandrohal. Total length of this road is 10.200, out of which 7.00 Km length of this road up to village Chandog has already been constructed under NABARD and is providing vehicular facilities to the inhabitants of surrounding villages. The villages Girdh, Sandrohal & Bara Chakli having more than 50% Schedule caste population remains deprived of vehicular facilities due to non- connectivity. Now to provide the vehicular facilities to the inhabitants of these villages and surrounding villages of the area this road has been proposed to be constructed. For this proposal Govt. of H.P. has accorded Administrative and financial approval under schedule caste component plan. This road proposal passes through forest Jungle-Jhari land in possession of different land owners of the benefited villages, for which they have given their consent to construct the road through their land in their possession and also passes through minimum forest land in different km. RD's involving 1.625 Hects. of forest land for diversion. The command area of this road is vegetables & fruits growing land having high yield cash crops of Ginger, Tomatoes, peas etc. The transportation cost of these cash crops & fruits will be reduced very much after construction of this road. There is no archeological/heritage site or other important monuments located in this area.

In view of above, this road is very much essential and there is no other non-forest land available for construction of this road. Therefore, It is requested that the approval for the transfer of 1.625 Hects. of forest land & felling of 50 No's trees under FCA, 1980 may kindly be granted on top priority please.
