Executive Engineer(El.,)  
Hunsur Division

No.EEHUN/AEE(O)/(AET)/15-16/ 10125

Date:23.01.16

**Justification for locating the Project in Forest Land**

- The principle objective of this project is to provide electricity to unelectrified habitations and BPL households. Since, these habitations are situated in thick forest,hill/terrain,remote and border areas,the connectivity from conventional energy source (existing grid) is not feasible and not cost affective.
- The minimum basic amenities has to be provided to the people residing in the habitations as per provision of the scheduled Tribes and other traditional forest dwellers (recognition of forest rights) Act 2006(2 of 2007 and 2008 rules (rules amended-2012).
- Karnataka Lokayuktha has inspected the site and directed to provide electricity to these habitations vide letter No: COMPT/LOK/BCD-3031/2014 dated :08.09.2014.
- This scheme is a flag ship program of Government of india under Bharath Nirman.

  
Executive Engineer (Ele),

CESC, O&M Division

Hunsur.
