

Full title of the project C/o Collection of Sand, Stone & Bajari at firnoo, tehsil karsog
Distt. Mandi, H.P.

Proposal No. FP/HP/MIN/40920/2018

Justification for locating the project in forest area

Extraction of Sand, Stone & bajari on mining leases are site specific. The recommended mining lease is located in the part of the forest land. Minor mineral reserves are not available in any revenue lands. Minor mineral reserve such as sand, stone & bazari are only available on the Forest land (Govt. Land Hilly Slope). There are no trees standing over the forest land & the site is suitable for execution of this mining project. This is why the forest land situated in Khasra-599 (GOVT. LAND HILLY SLOPE) falling in mauza & muhal firnoo, tehsil karsog distt. Mandi, H.P. has been selected for the project.
