JUSTIFICATION FOR FILLING UP NARABANDA TANK (Narabanda Tank filling)

The Filling up Tank of this project is located near Narabanda village to supply of water to Drinking by through gravity canal as much as possible. The existing Tank is economically and financially most feasible. as per the designs carried out. This location of Narabanda tank is in forest area and there is no any alternative economic location for filling up Tank through gravity canal system.

Thanking you,

Yours faithfully,

Executive Engineer
